Yukon's Northern Lights

2nd Wickaninnish Inn
Stormwatching departure

Costa Rica

Dear Customer,

Welcome Back! We are delighted to be up and running again after such uncertain times. Already we have had a very positive response to our summer and fall tours and have spoken with many of our guests who are eager to travel. As we go to print with this brochure we still have space on some of our August tours that were featured in our January brochure. (See our website at www.agelessadventures.com or view our 2021 brochure for tour details). As well, several of our previously featured tours are now sold out, including our November Wickaninnish Stormwatching tour. Due to popular request we have added a second Wickaninnish departure for December 6 - 10 which is listed in this supplement.

Many customers are asking if we are going to offer 2021's cancelled tours in 2022. In most cases, yes. If you planned on taking a specific tour in 2021 but it was cancelled due to Covid, please call us and we will put your name on an interest list for 2022. When we have confirmed dates and prices we will contact you to finalize your booking.

Meanwhile, if you want to stay in the know, provide us with your email address and we will be happy to add you to our monthly email specials and updates.

We will continue to follow the BC Health guidelines and protocols and will make the necessary changes as new guidelines are introduced.

For the safety of our customers and staff we are asking that everyone joining a tour be vaccinated. This is a provisional policy that which may change in the months to come.

Our 2022 brochure will be available in January 2022.

Thank you for your continued support as we navigate "the new normal" together!

Regards,

George & Melinda Burns
